DETERMINATION OF ROYALTY RATES AND TERMS  
FOR PERFORMANCE OR DISPLAY OF  
NONDRAMATIC MUSICAL WORKS AND PICTORIAL,  
GRAPHIC, AND SCULPTURAL WORKS BY PUBLIC  
BROADCASTING ENTITIES (PB IV)

Docket No. 21-CRB-0002-  
PBR (2023-2027)

**JOINT MOTION REQUESTING POSTPONEMENT OF  
SUBMISSION OF WRITTEN DIRECT STATEMENTS**

The Corporation for Public Broadcasting (“CPB”), National Public Radio, Inc. (“NPR”), the Public Broadcasting Service (“PBS”), American Society of Composers, Authors and Publishers (“ASCAP”), and Global Music Rights, LLC (“GMR”) respectfully submit this request to postpone the deadlines for submission of direct witness statements and the end of discovery.

CPB, NPR, and PBS (collectively, “CPB”) are or will be responsible for a vast amount of the broadcast programming at issue in this proceeding. And, as in prior periods, CPB anticipates that its payment of royalties pursuant to 37 CFR § 381.4 will primarily be accomplished through direct agreements with performing rights organizations (“PROs”). To that end, CPB has already finalized agreements with each of Broadcast Music, Inc. (“BMI”), SESAC Performing Rights, LLC (“SESAC”), and The Harry Fox Agency LLC (“HFA”), which have each been submitted to the Judges or will soon be submitted to the Judges. CPB has also reached an agreement in principle with ASCAP and is in the final stages of negotiating the specifics of that license agreement. CPB and the one remaining PRO with which it has not reached agreement, GMR, have engaged in productive settlement negotiations and believe full settlement is likely. In light of this, CPB,

ASCAP, and GMR jointly request that the Judges grant a postponement for 21 days (until November 22, 2021) of the time to submit written direct statements, or such other period that the Judges believe provides a reasonable period of time within which the parties should be able to settle the issues in this proceeding.

The undersigned are mindful that the Judges wish the parties to adhere to the schedule set forth in the February 9, 2021 Case Scheduling Order (the “Order”), as amended on September 10, 2021 and October 14, 2021. The undersigned nevertheless request the exercise of the Judges’ discretion to provide the parties with additional time to continue what have been productive discussions towards a full settlement without the parties having to incur the added obligations and potentially unnecessary costs of the immediately upcoming phases of the proceeding (including written direct statements and discovery). Avoiding these costs is particularly relevant in a proceeding like this one, which is dedicated to public broadcasting, where many of the participants are non-profit organizations. The Order provides for the opportunity for parties to file a “motion stating good cause to vary the schedule”; given that the statutory license scheme is designed to facilitate and encourage the participants in rate proceedings to reach negotiated resolutions and avoid the expense and uncertainty of adjudications, CPB, ASCAP and GMR submit that good cause has here been shown. H.R. REP. 108-408, at 24 (2004); S. REP. 104-128, at 39 (1995).

The undersigned believe the requested postponement would not prejudice any other party or the Judges’ ability to conduct a timely proceeding and reach a timely result. Even with such an extension, and even in the unlikely event that CPB and GMR are unable to enter into a settlement, the Judges will still be able to render a decision on rates and terms in this proceeding prior to December 16, 2022. (*See* proposed revised schedule, attached as Exhibit A, which retains all current deadlines other than the date for submission of written direct cases.)

For these reasons, the undersigned participants respectfully request that this motion be granted and that the parties be allowed until and including November 22, 2021 to file a Notice of Settlement or written direct statements.

DATED: November 1, 2021

Respectfully submitted,

/s/ Kenneth L. Steinthal
